Section II. Group Insurance Premium and/or HSA Contribution

Your Group Insurance plan premiums and/or Health Savings Account contributions are withheld pre-tax automatically. Your election to pay your Group Insurance premium and/or Health Savings Account contribution automatically continues each year unless revoked. You may revoke your premium election at the beginning of a plan year or during the year should you have a qualifying "life event" that permits a mid-year change.

Section III. HSA Contribution

Only employees covered by a High Deductible Health Plan (HDHP) without other first dollar medical coverage such as other traditional health insurance, VA benefits or Indian Health Services in the last 90 days, TRICARE, Medicare, general purpose FSA or HRA, etc. may contribute to a Health Savings Account.

2024 Calendar Year Maximum Contributions: Single \$4,150 Family \$8,300

If 55 and older, additional annual catch up contribution is \$1,000

\$ _____ per pay

Last Month Rule

Individuals who become covered under an HSA-eligible plan in a month other than January may make the maximum HSA contribution for the year based on their coverage (single vs. family) in the last month of the year.

Change in HDHP coverage type (single vs. family)

If an individual changes coverage type mid-calendar year, he may contribute up to the greater of (a) maximum amount that may be contributed for the taxable year, based upon his actual HDHP coverage (i.e. single vs. family) for each month of the year or (b) the full HSA contribution limit for the taxable year based on the type of HDHP coverage that he had on December 1 of that year.

13-month Testing Period

If the individual makes HSA contributions under the last-month rule, and the individual does not remain HSA-eligible (for reasons other than death or disability) during the 13-month "testing period" (beginning with the December of the year for which those contributions were made and ending on the last day of the 12th month following that December), the amount which could not have been contributed except for this provision will be included in income and subject to a 10% additional tax. This 10% penalty cannot be avoided by withdrawing such amounts from the HSA, even if the withdrawal were made by April 15.

HSA-ineligible mid-calendar year

If an individual becomes covered by other first dollar coverage and/or terminates HSA-eligible coverage during a calendar year, the maximum contribution is prorated based on the number of full months they are eligible in that calendar year.
