# PrudentRx Copay Program for Specialty Medications

## Get Specialty Medications at No Cost to You

If you're taking specialty medications for a chronic or complex situation (like multiple sclerosis, rheumatoid arthritis or cancer), you know how costly they can be – and that the cost continues to rise. Because we want to make sure you can get the medications you need at an affordable cost, we're pleased to offer a new program that reduces your out-of-pocket cost for specialty medications to \$0.

## Pay \$0 with The Prudent Rx Copay Program

We're working with PrudentRx to offer The PrudentRx Copay Program as part of your prescription benefit plan. To participate, all you need to do is enroll. You'll pay \$0 for any medications on the Specialty Drug List for as long as you're enrolled.

PrudentRx works with manufacturers to get copay card assistance for your medication. Once you get started, they'll manage enrollment and renewals on your behalf. But even if there's no copay card program available for your medication, your cost will be \$0 for as long as you are enrolled in the program.

## Getting started is easy

If you take a specialty medication on the Specialty Drug List, call PrudentRx at 1-800-578-4403, Monday through Friday, from 8 a.m. to 8 p.m. EST to enroll – it only takes about 10 minutes. If they don't hear from you, a PrudentRx Advocate may give you a call. If you don't currently take a specialty medication, but your doctor prescribes one, you can enroll at any time. Participation is voluntary, but you will pay more for your specialty medications if you choose not to enroll in the program.

If you are taking a specialty medication, watch your mailbox for more information on The PrudentRx Copay Program and changes to your plan. If you have any questions, you can call PrudentRx at the number above.

## Notice of Nondiscrimination

Federal civil rights laws prohibit certain health programs and activities from discriminating on the basis of race, color, national origin, age, disability, or sex. The laws apply to health programs and activities that receive funding from the Federal government, are administered by a Federal agency or are offered on a public Health Insurance Marketplace. Health plans that are subject to the laws include Medicare Part D plans, Medicaid plans, health plans offered by issuers on Health Insurance Marketplaces, and certain employee health benefit plans. If you have questions about whether these Federal civil rights laws apply to your plan, please contact your health plan at the number in your benefit plan materials.

If your health plan is subject to these Federal civil rights laws, it complies with the laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex and does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.
