

**Benefit Summary
ASO Choice Plus**

Effective: January 1, 2026 Highland County Board of DD Medical Plan

United HealthCare Services, Inc. and EPC Schools want to help you take control and make the most of your health care benefits. That's why we provide convenient services to get your health care questions answered quickly and accurately:

- **myuhc.com®** - Take advantage of easy, time-saving online tools. You can check your eligibility, benefits, claims, claim payments, search for a doctor and hospital and more.
- **Customer Care telephone support** – Need more help? Call a customer care professional using the toll-free number on the back of your ID card. Get answers to your benefit questions or receive help looking for a doctor or hospital.

The Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Summary Plan Description (SPD), the SPD shall prevail. It is recommended that you review your SPD for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

Congenital Anomaly such as cleft lip or cleft palate.	
Devices, Appliances and Prosthetics	
Devices used specifically as safety items or to affect performance in sports-related activities. Orthotic appliances that straighten or re-shape a body part as described under Durable Medical Equipment (DME) in the SPD. Examples include foot orthotics, cranial banding, or any orthotic braces available over-the-counter. The following items are excluded: blood pressure cuff/monitor; enuresis alarm; non-wearable external defibrillator; trusses; and ultrasonic nebulizers. Devices and computers to assist in	

communication and speech except for speech generating devices and tracheo-esophageal voice devices for which Benefits are provided as described under Durable Medical Equipment. Oral appliances for snoring. Repair and replacement prosthetic devices when damaged due to misuse, malicious damage or gross neglect. Prosthetic devices. This exclusion does not apply to breast prosthesis, mastectomy bras and lymphedema stockings for which Benefits are provided as described under Reconstructive Procedures in the SPD.
Drugs
The exclusions listed below apply to the medical portion of the Plan only. Prescription Drug coverage is excluded under the medical plan because it is a separate benefit. Coverage may be available under the Prescription Drug portion of the Plan. See the SPD for coverage details and exclusions. Prescription drugs for outpatient use that are filled by a prescription order or refill. Self-injectable medications. This exclusion does not apply to medications which, due to their characteristics (as determined by United HealthCare Services, Inc.), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office. Over-the-counter drugs and treatments. Growth hormone therapy.
Experimental or Investigational or Unproven Services
Experimental or Investigational or Unproven Services, unless the Plan has agreed to cover them as defined in the SPD. This exclusion applies even if Experimental or Investigational Services or Unproven Services, treatments, devices or pharmacological regimens are the only available treatment options for your condition. This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in the SPD.
Foot Care
Routine foot care. Examples include the cutting or removal of corns and calluses. This exclusion does not apply to preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under Diabetes Services in the SPD or when needed for severe systemic disease.
