

Benefit Summary ASO Choice Plus

Effective January 1, 2026 Tecumseh Local Schools Core Medical Plan 7ME-M

UnitedHealthcare and EPC want to help you take control and make the most of your health care benefits. That's why we provide convenient services to get your health care questions answered quickly and accurately:

- myuhc.com® Take advantage of easy, time-saving online tools. You can check your eligibility, benefits, claims, claim payments, search for a doctor and hospital and much, much more.
- Customer Care telephone support Need more help? Call a customer care professional using the toll-free number on the back of your ID card. Get answers to your benefit questions or receive help looking for a doctor or hospital.

The Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Summary Plan Description (SPD), the SPD shall prevail. It is recommended that you review your SPD for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

#### **PLAN HIGHLIGHTS**

Types of Coverage	Network Benefits	Non-Network Benefits
Annual Deductible		
Individual Deductible	\$250 per year	\$300 per year
Family Deductible	\$500 per year	\$600 per year

- Member Copayments do not accumulate towards the Deductible
- All individual deductible amounts will count towards meeting the family deductible, but an individual will not have to pay more than the individual deductible amount

# Out-of-Pocket MaximumIndividual Out-of-Pocket Maximum\$1500 per year\$2000 per yearFamily Out-of-Pocket Maximum\$3000 per year\$4000 per year

- The Out-of-Pocket Maximum includes the Annual Deductible.
- Member Co-Insurance and Copayments do accumulate towards the Out-of-Pocket Maximum.
- All individual out of pocket amounts will count towards meeting the family out of pocket, but an individual will not have to pay more than the individual out of pocket amount

#### MEDICAL EXCLUSIONS

It is recommended that you review your SPD for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

#### Alternative Treatments

Acupressure; aromatherapy; hypnotism; massage therapy; rolfing (holistic tissue massage); art, music, dance, horseback therapy; and other forms of alternative treatment as defined by the National Center for Complementary and Alternative Medicine (NCCAM) of the National Institutes of Health. This exclusion does not apply to Chiropractic Treatment and osteopathic care for which Benefits are provided as described in the SPD.

#### Denta

Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia). This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Plan as described in the SPD. Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication. Endodontics, periodontal surgery and restorative treatment are excluded. Diagnosis or treatment of or related to the teeth, jawbones or gums. Examples include extraction (including wisdom teeth), restoration, and replacement of teeth; medical or surgical treatment of dental conditions; and services to improve dental clinical outcomes. This exclusion does not apply to accidental related dental services for which Benefits are provided as described under Dental Services – Accidental Only in the SPD. Dental implants, bone grafts and other implant-related procedures. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services – Accident Only in the SPD. Dental braces (orthodontics). Congenital Anomaly such as cleft lip or cleft palate.

#### Devices, Appliances and Prosthetics

Devices used specifically as safety items or to affect performance in sports-related activities. Orthotic appliances that straighten or re-shape a body part. Examples include foot orthotics, cranial banding and some types of braces, including over-the-counter orthotic braces. The following items are excluded, even if prescribed by a Physician: blood pressure cuff/monitor; enuresis alarm; home coagulation testing equipment; non-wearable

external defibrillator; trusses; ultrasonic nebulizers; and ventricular assist devices. Devices and computers to assist in communication and speech except for speech aid prosthetics and tracheo-esophogeal voice prosthetics. Oral appliances for snoring. Repair and replacement prosthetic devices when damaged due to misuse, malicious damage or gross neglect. Prosthetic devices. This exclusion does not apply to breast prosthesis, mastectomy bras and lymphedema stockings for which Benefits are provided as described under Reconstructive Procedures in the SPD.

#### Drug:

The exclusions listed below apply to the medical portion of the Plan only. Prescription Drug coverage is excluded under the medical plan because it is a separate benefit. Coverage may be available under the Prescription Drug portion of the Plan. See the SPD for coverage details and exclusions.

Prescription drugs for outpatient use that are filled by a prescription order or refill. Self-injectable medications. This exclusion does not apply to medications which, due to their characteristics (as determined by UnitedHealthcare), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office. Over-the-counter drugs and treatments. Growth hormone therapy.

#### Experimental or Investigational or Unproven Services

Experimental or Investigational or Unproven Services, unless the Plan has agreed to cover them as defined in the SPD. This exclusion applies even if Experimental or Investigational Services or Unproven Services, treatments, devices or pharmacological regimens are the only available treatment options for your condition. This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in the SPD.

#### Foot Care

Routine foot care. Examples include the cutting or removal of corns and calluses. This exclusion does not apply to preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under Diabetes Services in the SPD or when needed for severe systemic disease. Cutting or removal of corns and calluses. Nail trimming, cutting, or debriding. Hygienic and preventive maintenance foot care; and other services that are performed when there is not a localized Sickness, Injury or symptom involving the foot. Examples include cleaning and soaking the feet; applying skin creams in order to maintain skin tone. This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes. Treatment of flat feet. Shoes (standard or custom), lifts and wedges; shoe orthotics; shoe inserts and arch supports

#### Medical Supplies and Equipment

Prescribed or non-prescribed medical supplies and disposable supplies. Examples include elastic stockings, ace bandages, diabetic strips, and syringes; urinary catheters. This exclusion does not apply to:

- Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under Durable Medical Equipment in the SPD.
- Diabetic supplies for which Benefits are provided as described under Diabetes Services in the SPD.
- Ostomy bags and related supplies for which Benefits are provided as described under Ostomy Supplies in the SPD.

Tubings, nasal cannulas, connectors and masks, [except when used with Durable Medical Equipment as described under Durable Medical Equipment as described in the SPD. The repair and replacement of Durable Medical Equipment when damaged due to misuse, malicious breakage or gross neglect and deodorants, filters, lubricants, tape, appliance clears, adhesive, adhesive remover or other items that are not specifically identified in the SPD.

#### Mental Health / Substance Abuse

Inpatient, intermediate or outpatient care services that were not pre-authorized by the Mental Health/Substance Abuse (MH/SA) Administrator; Services performed in connection with conditions not classified in the current edition of the American Psychiatric Association's Diagnostic and Statistical Manual of Mental Disorders.

Mental Health Services and Substance Abuse Services that extend beyond the period necessary for short-term evaluation, diagnosis, treatment, or crisis intervention. Mental Health Services as treatment for insomnia and other sleep disorders, neurological disorders and other disorders with a known physical basis. Treatment for conduct and impulse control disorders, personality disorders, paraphilias (sexual behavior that is considered deviant or abnormal) and other Mental Illnesses that will not substantially improve beyond the current level of functioning, or that are not subject to favorable modification or management according to prevailing national standards of clinical practice, as reasonably determined by the Mental Health/Substance Abuse Administrator. Services utilizing methadone, L.A.A.M. (1-Alpha-Acetyl-Methadol), Cyclazocine, or their equivalents as maintenance treatment for drug addiction. Treatment provided in connection with involuntary commitments, police detentions and other similar arrangements, unless authorized by the Mental Health/Substance Abuse Administrator. Residential treatment services. Routine use of psychological testing without specific authorization; pastoral counseling. Services or supplies for the diagnosis or treatment of Mental Illness, alcoholism or substance abuse disorders that, in the reasonable judgment of the Mental Health/Substance Abuse Administrator, typically do not result in outcomes demonstrably better than other available treatment alternatives that are less intensive or more cost effective, or are not consistent with:

- Prevailing national standards of clinical practice for the treatment of such conditions.
- Prevailing professional research demonstrating that the services or supplies will have a measurable and beneficial health outcome.
- The Mental Health/Substance Abuse Administrator's level of care guidelines as modified from time to time.

The Mental Health/Substance Abuse Administrator may consult with professional clinical consultants, peer review committees or other appropriate sources for recommendations and information regarding whether a service or supply meets any of these criteria.

#### MEDICAL EXCLUSIONS Continued

#### Nutrition

Nutritional or cosmetic therapy using high dose or mega quantities of vitamins, minerals or elements, and other nutrition-based therapy. Nutritional counseling for either individuals or groups except as defined under Nutritional Counseling in the SPD. Food of any kind. Foods that are not covered include: enteral feedings and other nutritional and electrolyte formulas, including infant formula and donor breast milk unless they are the only source of nutrition or unless they are specifically created to treat inborn errors of metabolism such as phenylketonuria (PKU) – infant formula available over the counter is always excluded; foods to control weight, treat obesity (including liquid diets), lower cholesterol or control diabetes; oral vitamins and minerals; meals you can order from a menu, for an additional charge, during an Inpatient Stay, and other dietary and electrolyte supplements; and health education classes unless offered by UnitedHealthcare or its affiliates, including but not limited to asthma, smoking cessation, and weight control classes.

#### Personal Care, Comfort or Convenience

Television; telephone; beauty/barber service; guest service. Supplies, equipment and similar incidental services and supplies for personal comfort. Examples include: air conditioners, air purifiers and filters, dehumidifiers and humidifiers; batteries and battery chargers; breast pumps; car seats; chairs, bath chairs, feeding chairs, toddler chairs, chair lifts, recliners; electric scooters; exercise equipment and treadmills; home modifications to accommodate a health need such as ramps, swimming pools, elevators, handrails and stair glides; hot tubs; Jacuzzis, saunas and whirlpools; ergonomically correct chairs, non-Hospital beds, comfort beds, mattresses; medical alert systems; motorized beds; music devices; personal computers, pillows; power-operated vehicles; radios; saunas; strollers; safety equipment; vehicle modifications such as van lifts; and video players.

#### Physical Appearance

Cosmetic Procedures. See the definition in the SPD. Examples include: pharmacological regimens, nutritional procedures or treatments; Scar or tattoo removal or revision procedures (such as Sal abrasion, chemosurgery and other such skin abrasion procedures); Skin abrasion procedures performed as a treatment for acne; treatment of hair loss; varicose vein treatment of the lower extremities, when it is considered cosmetic; Liposuction or removal of fat deposits considered undesirable, including fat accumulation under the male breast and nipple; Treatment for skin wrinkles or any treatment to improve the appearance of the skin; Treatment for spider veins; Hair removal or replacement by any means. Replacement of an existing intact breast implant if the earlier breast implant was performed as a Cosmetic Procedure. Treatment of benign gynecomastia (abnormal breast enlargement in males). Breast reduction except as coverage is required by the Women's Health and Cancer Right's Act of 1998 for which Benefits are described under Reconstructive Procedures in the SPD. Physical conditioning programs such as athletic training, bodybuilding, exercise, fitness, flexibility, health club memberships and programs, spa treatments and diversion or general motivation. Weight loss programs whether they are under medical supervision. Weight loss programs for medical reasons are also excluded, even if for morbid obesity. Wigs regardless of the reason for the hair loss, expect for temporary loss of hair resulting from treatment of a malignancy.

#### Procedures and Treatments

Procedure or surgery to remove fatty tissue such as panniculectomy, abdominoplasty, thighplasty, brachioplasty, or mastopexy. Excision or elimination of hanging skin on any part of the body. Examples include plastic surgery procedures called abdominoplasty or abdominal panniculectomy, and brachioplasty. Medical and surgical treatment of excessive sweating (hyperhidrosis). Medical and surgical treatment for snoring, except when provided as a part of treatment for documented obstructive sleep apnea. Speech therapy except as required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, cancer, Congenital Anomaly, or autism spectrum disorders. Speech therapy to treat stuttering, stammering or other articulation disorders. Psychosurgery. Sex transformation operations. Physiological modalities and procedures that result in similar or redundant therapeutic effects when performed on the same body region during the same visit or office encounter. Biofeedback. Chiropractic treatment to treat a condition unrelated to spinal manipulation and ancillary physiologic treatment rendered to restore/improve motion, reduce pain and improve function, such as asthma or allergies. Chiropractic treatment (the therapeutic application of chiropractic manipulative treatment with or without ancillary physiologic treatment and/or rehabilitative methods rendered to restore/improve motion, reduce pain and improve function). Services for the evaluation and treatment of temporomandibular joint syndrome (TMJ), whether the services are considered to be dental in nature, including oral appliances: surface electromyography; Doppler analysis; vibration analysis; computerized mandibular scan or jaw tracking; craniosacral therapy, orthodontics; occlusal adjustment; dental restorations. Upper and lower jawbone surgery except as required for direct treatment of abecity even if for morbid obesity. Surgical treatment of obesity unless there is a diagnosis of morbid obesity as described under Obesity Surgery in the

#### Providers

Services performed by a provider who is a family member by birth or marriage. Examples include a spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself. Services performed by a provider with your same legal residence. Services ordered or delivered by a Christian Science practitioner. Services performed by an unlicensed provider or a provider who is operating outside of the scope of his/her license. Services provided at a free-standing or Hospital-based diagnostic facility. Services provided at a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider has not been actively involved in your medical care prior to ordering the service, or is not actively involved in your medical care end on the provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider has not been actively involved in your medical care prior to ordering the service, or is not actively involved in your medical care end of the service is received. This exclusion does not apply to mammography. Foreign language and sign language interpreters.

#### Reproduction

Health services and associated expenses for infertility treatments, including assisted reproductive technology,

regardless of the reason for the treatment. This exclusion does not apply to services required to treat or correct underlying causes of infertility. The following infertility treatment-related services: cryo-preservation and other forms of preservation of reproductive materials, long-term storage of reproductive materials such as sperm, eggs, embryos, ovarian tissue, and testicular tissue, donor services. Surrogate parenting, donor eggs, donor sperm and host uterus. Storage and retrieval of all reproductive materials. Examples include eggs, sperm, testicular tissue and ovarian tissue. The reversal of voluntary sterilization. Health services and associated expenses for elective surgical, non-surgical, or drug-induced Pregnancy termination. This exclusion does not apply to treatment of a molar Pregnancy, ectopic Pregnancy, or missed abortion (commonly known as a miscarriage). Services provided by a doula (labor aide); and parenting, prenatal or birthing classes. Artificial reproduction treatments done for genetic or eugenic.

#### Services Provided under Another Plan

Health services for which other coverage is available under another plan, except for Eligible Expenses payable as described in the SPD. Examples include coverage required by workers' compensation, no-fault automobile coverage or similar legislation is optional for you because you could elect it or could have it elected for you. Health services for treatment of military service-related disabilities, when you are legally entitled to other coverage and facilities are reasonably available to you. Health services while on active military duty.

#### Transplant

Health services for organ and tissue transplants, except as identified under Transplantation Services in the SPD. Mechanical or animal organ transplants, except services related to the implant or removal of a circulatory assist device (a device that supports the heart while the patient waits for a suitable donor heart to become available); and donor costs for organ or tissue transplantation to another person (these contest may be payable through the recipient's benefit plan).

#### Travel

Travel or transportation expenses, even if ordered by a Physician, except as identified under Travel and Lodging in the SPD. Additional travel expenses related to Covered Health Services received from a Designated Facility or Designated Physician may be reimbursed at the Plan's discretion.

#### Types of Care

Multi-disciplinary pain management programs provided on an inpatient basis. Custodial care; domiciliary care. Private duty nursing. Respite care; rest cures; services of personal care attendants. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).

#### Vision and Hearing

Purchase cost and associated fitting charge for eyeglasses and contact lenses. Implantable lenses used only to correct a refractive error (such as Intacs corneal implants). Eye exercise therapy. Surgery and other related treatment that is intended to correct nearsightedness, farsightedness, presbyopia and astigmatism including, but not limited to, procedures such as laser and other refractive eye surgery and radial keratotomy

#### All Other Exclusions

Health services and supplies that do not meet the definition of a Covered Health Service – see the definition of Covered Health Services in the Glossary in the SPD. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments when: required solely for purposes of career, education, school, sports or camp, travel, employment, insurance, marriage or adoption; or as a result of incarceration; related to judicial or administrative proceedings or orders; conducted for purposes of medical research; required to obtain or maintain a license of any type. Health services received as a result of war or any act of war, whether declared or caused during service in the armed forces of any country. Health services received after the date your coverage under the Plan ends. This applies to all health services, even if the health service is required to treat a medical condition that arose before the date your coverage under the Plan ended. Health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Plan. Charges that exceed Eligible Expenses or any specified limitation in the SPD. Health services when a provider waives the Copay, Annual Deductible or Coinsurance amounts. Autopsies and other coroner services and transportation services for a corpse. Charges for: missed appointments; room or facility reservations; completion of claim forms; or record processing. Charges prohibited by federal anti-kickback or self-referral status. Diagnostic tests that are: delivered in other than a Physician's office or health care facility, and self-administered home diagnostic tests, including but not limited to learning and reading disabilities; attention deficit/hyperactively disorder; TBI; or dyslexia
