

Southwestern Ohio EPC 2025-26 Automated External Defibrillators (AEDs) and Rebates

As the new school year begins, we'd like to remind you to check the manufacturer's date on your AEDs. Many districts purchased their AEDs in 2013 and 2014, bringing them beyond their expected lifespan and well past their 8-year warranty. The label with the date is usually affixed to the bottom of most AEDs. If you need help locating your date label, please feel free to contact Doug Huffman of AEDVenture at sales@aedventure.com or 330-353-8821.

Rebates of \$400 (recently up from \$250) are also available for each old LP CR Plus AED (most common in Ohio schools) returned to Stryker after purchase. Once your new LP CR 2 AEDs are purchased, AEDVenture will send you a form to fill out and send in with your old AEDs, then Stryker will process them and send you \$400 for each LP CR Plus AED sent in. You may send in one old AED for each new LP CR 2 AED purchased.

Since your school is a member of the EPC, the Physio-Control LP CR 2 AED (and all other AEDs listed below) have been pre-bid on your behalf.

Current EPC Bid Pricing for AEDs through AEDventure:

Stryker LP CR2 99512-001267 with Carry Case	\$2,064.00
Stryker LP CR2 99512-001268 with Handle	\$1,992.00
Powerheart G5 Semi Auto CS-G5S-80C-S	\$1,707.00
Powerheart G5 Fully Auto CS-G5A-80C-S	\$1,707.00
Heartsine 350P Semi Auto HS80514-000263	\$1,110.00
Heartsine 360P Fully Auto HS80514-000309	\$1,263.00

Please contact Doug Huffman of AEDVenture at sales@aedventure.com or 330-353-8821 to order your AEDs or with any AED related questions.
