Doug Huffman

The OCEPC and each of the purchasing co-ops in Ohio have renewed their agreement with AEDventure, to offer Ohio schools with the very best AED programs available.

- ✔ As part of the renewal, AEDventure has agreed to continue their substantial discounts to all Ohio School Co-op's for another year.
- ✔ On-site service by our professionals ensures your AEDs are up to date and ready to go.

The Cardiac Science and Physio Control AEDs offered through this program are the two highest energy AEDs on the market with both capable of delivering more than 350 joules of energy.

— Used at your local fire department and hospital! —
