NewPig ShopReady Microfiber Wipes (50/Roll)

These wipes are ideal for wiping gears, burred edges, metal work, and other rough surfaces. The compact microfibers are engineered for superior durability in rough scrubbing and heavy-duty tasks without the "fluff" of standard microfiber cloths. These wipes trap grease and grime and won't bleed out or contaminate clean surfaces as you keep wiping. The perforated roll allows for tearing off single or multiple sheets. Great for hanging and unspooling as needed.

- 12" W x 12" L
- Low lint
- Exact-cut edges eliminate fraying, shedding and unraveling
- Use for wet or dry wiping; microfiber dries quickly
