

NEW ARRIVALS

Johnny Jolter #10844

The Johnny Jolter Professional Power Plunger uses water, not air, to clear any clogged toilet fast.

Simply submerge the flexible cone below the water line, pull the handle to draw in water, press cone into the toilet drains, and push the handle down to deliver up to 140lbs of force.

- Made from engineering-grade plastic for a product that is tough and built to last.
- Easy to disassemble/reassemble for easy maintenance to ensure many years of use.
- Fits standard and high efficiency toilets.

Whizz Banger #98660

This urinal cleaner & descaler dissolves uric acid deposits, eliminates uric odors, and cleans and disinfects urinals and toilet bowls all in one step!

The non-fuming formulation breaks down uric acid build-up that restricts urinal drainage flow. It's fast acting and compatible with copper, steel, cast iron, PVC, and ABS drainpipes.

- Will not etch urinal and toilet bowl surfaces.
- Dissolves water scale, rust, and uric acid deposits.
- Excellent for urinals, toilet bowls, and general descaling.

BEST FEATURED ITEMS

Diablo Diamond Grit Hole Saw

#99921517 – 1/4"

#99921523 – 1

#99921525 – 1-1/4"

Diablo's high-performance Diamond grit hole saws deliver longer life and faster material removal when boring holes into tile, stone, and glass. A continuous rim diamond grit edge delivers lasting durability and maximizes cut quality in masonry applications. An open slot design ensures easy removal of plugs.

- Integrated wax lubricant reduces friction and heat build-up while cutting
- No pilot bit needed, simply drill at a 45-degree angle or with a jig
- Drills porcelain tile, ceramic tile, granite, marble, slate, and glass
- For use with a hand-held drill

Emergency Leak Repair Kit

#20257

Be prepared for any leak! This kit contains 15 items, offering a mix of caps, ball valves, repair wraps and putty, so that no matter the situation, you will be covered. pg. 2-16

Loctite Foam Insulation

#69570

Loctite TITE FOAM is a polyurethane-based insulating foam sealant that expands to fill, seal, and insulate gaps and cracks inside or out. This white polymer foam is 4x denser and provides better durability and insulation than conventional foams.

pg. 6-68

- Adheres to most building materials like wood, concrete, stone, metal etc.
- UV resistance reduces foam brittleness and darkening
- Can be sanded, painted, or stainable
- Product does not contain CFC-propellants

Multi-Use Faucet Aerator

Key Tool

#14710

This tool fits popular aerator sizes such as standard, junior, tiny junior, and tom thumb sizes. While wrenches and other tools can scratch or cause damage to the housing of the faucet, the aerator key was designed specifically for easy, non-abrasive installation and removal of the aerator.

pg. 10-11

- Works on vandal-proof aerators
- Features an easy to turn handle

Stretch Shower Hose 59" S/S

#69447

This stretchable EPDM hose is surrounded by a flexible stainless-steel double interlock outer shell for added strength and a sleek design. It is the standard 59" length but stretches to over 80" to provide greater tub area coverage. Perfect for hospital and nursing home applications. pg. 7-53

- Universal fit – standard 1/2" female connectors on each end
- Brass barbs and connections

Elkay Water Sentry Plus Filter

#99316820

This replacement filter is designed to reduce lead, particles, and chlorine in bottle filler stations, as well as odors and discoloration from incoming water. The spun polypropylene prefilter mesh prevents large, coarse sediment and particles from entering and clogging filter media. It is equipped with quick-disconnect, 1/4 turn installation as well as an automatic inlet shut-off valve that closes when filter is removed. pg. 7-76

Lead-Free | Made in USA | 3000 Gallon Capacity | Flow Rate 1.5 GPM
