

# Stop the Bleed – Every Second Counts!

**The School Health Brand Trauma Kits provide first responders the tools they need to save a life.**

- First responders are prepared for all emergencies
- Four kits, each with a specific set of supplies, provide complete solutions for treating different types of injuries

**EXCLUSIVE PRODUCT**

Trauma Pack

Advance Trauma Kit

Basic Bleeding Kit

Advance Trauma Kit - Multiple Response

## School Health Brand Trauma Kits

These can be used in situations as serious as an active shooter scenario, but also simply to prevent excessive bleeding from injuries when bandages from a basic first aid kit may not suffice. Visit the School Health Safety Center on our website for more resources on emergency preparedness:

### Component Descriptions:

**QuikClot Bleeding Control Dressing:** Uses kaolin, an inorganic mineral that accelerates the body's natural clotting ability and helps blood clot up to five times faster than blood on its own.  
 ..... **52915** \$61.48 ea.

**SWAT-T™ Tourniquet:** Multipurpose dressing that does double duty as either a tourniquet or pressure bandage. Apply in seconds with little or no prior training.  
 ..... **57795** \$21.29 ea.

**CAT Tourniquet®:** A one-handed tourniquet with single routing buckle system that allows for extremely fast application and effective slack removal.  
 ..... **57780** \$32.59 ea.

**Dual Chest Seal:** Uses Wound Seal™ hydrogel dressing and can be applied over an open wound or can be used to seal over a puncture chest or abdomen wound.  
 3.75" x 3.75" Chest Seal, 2/pkg. .... **54942** \$31.39 pkg.

**H&H "H" Bandage (8" x 10") Flat Fold:** Unique design allows for one-handed use for all kinds of serious traumas and injuries involving arterial bleeding.  
 ..... **52991** \$16.59 ea.
