# **Interface**®

Interface, Inc. is a global commercial flooring company with an integrated collection of carpet tiles and resilient flooring, including luxury vinyl tile (LVT) and nora® rubber flooring. Our modular system helps customers create beautiful interior spaces which positively impact the people who use them and our planet.Our mission, Climate Take Back™, invites other companies to join us as we commit to running our business in a way that is restorative to the planet and creates a climate fit for life.

Interface materials can be purchased utilizing the Ohio Council of Educational Purchasing.

#### **LOCAL CONTACTS**

Lauren Thomas - Carpet/LVT C: 513-703-5951

E: <u>Lauren.Thomas@interface.com</u>

**Drew Mastrino - Rubber** 

C: 937-499-3274

E: Andrew.Mastrino@interface.com

#### Interface LVT

22mil wear layer for heavy traffic rating. All 4.5mm thick LVT comes standard with SoundChoice acoustical backing and can create a seamless install against our carpet tile with no transition strip needed.

## Interface Carpet Tile

Made with solution dyed nylon that offers impressive durability. We also offer hundreds of QuickShip styles of our most in-demand carpet and LVT options as an affordable solution.

### Interface Design Studio

With a deep knowledge of Interface product and a wealth of design experience, our design team can tackle any challenge. Looking for inspiration? Want to visualize products in a space? Interface Design Studio is equipped to do anything you need, from designing an entire floorplan to developing custom colors or even custom products. Just reach out to your Interface rep to determine how we can help with your next project.

### New to Interface?

If you are a new customer to Interface and would like to try out our carpet tile or LVT we are happy to supply 35sy of carpet tile or 322sf of LVT on us as a mock-up.

Please reach out to your local rep Lauren Thomas for details.
