

Who We Are

- ~ One point of contact with Prodigy's in-house engineering and architectural capabilities and the ability to make quick changes for scheduling or budget
- ~ Reduce project costs by eliminating additional layers of mark-up with Prodigy's direct supplier and manufacturer relationships
- ~ Each Area of Expertise is led by a project manager who is an industry expert with many years of experience giving Prodigy the capability of managing complicated multi-trade projects without hiring expensive consultants
- ~ Quicker response time with Prodigy's in-house general trades labor force, an industry first that makes the construction experience easier

Areas of Expertise

- ~ **HVAC Controls** - Vendor agnostic for an optimized design
- ~ **Lighting** - Indoor, outdoor, theater, controls
- ~ **Roofing** - Engineered solutions for longer warranties
- ~ **Paving** - Detailed specifications, compaction and thickness testing
- ~ **Energy projects** - Energy models and financed payback driven projects
- ~ **School Renovations, Classroom remodels & safe room conversions**
- ~ **Building Additions**
- ~ **Fuel Tank Systems**
- ~ **Bleachers & Gym Floors**
- ~ **Athletic Complexes** - Turf fields, tracks, outdoor bleachers

Why Prodigy?

- ~ Turnkey projects for an easy process
- ~ All projects are engineered to eliminate future problems
- ~ High quality standards
- ~ Competitive process
