

ONE SOURCE FOR ALL YOUR BUILDING NEEDS

WHO WE ARE – Prodigy Building Solutions can help with all of your capital projects

- One point of contact with Prodigy's in-house engineering and architectural capabilities and the ability to make quick changes for scheduling or budget
- Reduce project costs by eliminating additional layers of mark-up with Prodigy's direct supplier and manufacturer relationships
- Each Area of Expertise is lead by a project manager who is an industry expert with many years of experience giving Prodigy the capability of managing complicated multi-trade projects without hiring expensive consultants
- Quicker response time with Prodigy's in-house general trades labor force, an industry first that makes the construction experience easier

AREAS OF EXPERTISE

- **HVAC and Controls** – Vendor agnostic for an optimized design
- **Lighting** – Indoor, outdoor, theater, controls
- **Roofing** – Engineered solutions for longer warranties
- **Paving** – Detailed specifications, compaction and thickness testing
- **Energy projects** – Energy models and financed payback driven projects
- **Classroom remodels & safe room conversions**
- **Building Additions**
- **Fuel Tank Systems**
- **Bleachers & Gym Floors**
- **Athletic Complexes** – Turf fields, tracks, outdoor bleachers

WHY PRODIGY?

- Turnkey projects for an easy process
- All projects are engineered to eliminate future problems
- High quality standards
- Competitive process
