

EPC Design Build Update

Our attorney, Matthew Sagone of Squire Patton Boggs, is negotiating an agreement with Andre Goosby, president of AGM Energy Services, to serve as our Design-Build Criteria Engineer to assist us in procuring a new bid from our Design Builders. AGM was selected through an RFQ process prepared for us by Matthew Sagone.

We plan to have Matthew Sagone and Andre Goosby in attendance at our March 10, 2027 Membership Meeting to present our new program awards.

We encourage district facility managers to attend our March 10, 2026 EPC General Membership Meeting.
