

Trifecta Pharmaceuticals **USA**®

QUALITY

Our Commitment to Quality

Trifecta Pharmaceuticals USA designs, manufactures and distributes national brand-equivalent OTC ointments, creams and gels. Quality control is of the utmost importance, and the company prides itself on delivering the very highest standards in quality, value and service to its customers across the United States.

With direct involvement in manufacturing facilities and processes, Trifecta Pharmaceuticals USA upholds the most stringent and demanding quality controls in the industry to ensure the highest quality product.

- **All products comply with FDA current Good Manufacturing Practice (cGMP) regulations**
- **All products are third-party tested for quality**
- **Products are produced in the United States or Asia at US FDA-approved, ISO certified facilities**
- **Every product batch is tested to ensure highest quality standards and established guidelines are met**

Our Commitment to Value

The importance we place on value is what keeps our customers returning year after year. We know that the best value products incorporate the best standards in quality and ingredients at the right price, and we strive to achieve this standard with each of our products.

Our Commitment to Service

Customer service and customer satisfaction is extremely important to us. We recognize the enormous array of options open to US consumers and work hard to ensure that our customer experience, both online and offline, is simple and convenient and that our customers are satisfied with the products purchased.

Helps Prevent Infection
Bacitracin Zinc Ointment soothes
minor cuts, scrapes, and burns

BACITRACIN ZINC OINTMENT

FIRST AID ANTIBIOTIC (.9g Single-Use Packets)

Prevents Infection in cuts, scrapes and burns.

Healing Action

We use specially formulated Bacitracin Zinc 500 to promote fast effective healing for minor cuts, scrapes, and burns. This easy topical ointment promotes clean healthy repair for skin damage.

Maximum Antibiotic Power

Globe Antibiotic Ointment helps prevent infection in cuts, scrapes, and burns to the skin. This ointment is easy to use and keeps your wounds clean to promote easier, faster healing.

Easy to Use

First clean the cut, scrape, or burn then apply to the wound. Spread the cream on evenly with your finger. We suggest using 1-3 times a day, every day until the wound is healed.

Individual Packets

This box comes with 144 individual packets to keep your medication as fresh and hygienic as possible. Each easy-to-use packet contains 0.9 grams of Bacitracin Zinc 500, which should be plenty for most minor cuts, scrapes, and burns.

First Aid Essentials

These Antibiotic Ointment Packets are a perfect addition to any first aid kit. The easy topical cream soothes and prevents infection all from a small personal packet that takes the guesswork out of treatment.
