Food Service Updates for March 2023

- We are currently working on Commercial Food & Beverage, Bakery, Dairy, Ice Cream, Produce, and Cafeteria Essentials/Custodial Items for the 2023-24 school year.
- We are researching to add the category of Equipment Maintenance & Repair to our bids.
- Surveying members on current and proposed meal pricing as requested. This will assist school districts with setting future pricing.
- Surveying members on their opinions on EPC Food Service services. We would like to do anything we can to assist our members and insure that everybody is heard – all opinions are valued.
