*Interest Dividends - In addition to our standard rebates, this is the second year we have added a new Interest Dividend Member Participation Payment. For each EPC Member School that participates in the EPC Health Insurance Program, we have paid out $45 per covered employee to each of those school districts. We have added another $5 per employee for EPC Dental Insurance participation, and $2 per employee of EPC Vision Insurance participation. In addition, we paid $25 per employee for those members who participate in the EPC Liability Fleet & Property Insurance program and $3 per employee for those member districts that participate in our Hunter Consulting Workers Compensation Program. Lastly, we gave a bonus of $20 per employee for any district that participates in all of the above-listed programs.
