Dear Mr. Swink,

On behalf of Horizon Science Academy Elementary School District and the annex location of Horizon Science Academy Westerville, we respectfully request membership into the Southwestern Ohio Educational Purchasing Council.

We believe our district will benefit significantly from the financial advantages and collaborative opportunities your council provides. In particular, we are eager to participate in the cost-saving programs related to LED and energy savings, library books, classroom and office supplies, and fine and copy paper.

Thank you for considering our request. We look forward to the opportunity to join your network and contribute to the shared mission of educational excellence and fiscal responsibility.

Sincerely,
C. Seeley
Principal
