Mr. Swink:

The Warren County Port Authority wishes to join the EPC to take advantage of the joint-purchasing capabilities of its members.

The Port Authority owns and operates, through contract, and 120-acre outdoor sports complex and the joint purchasing power will be advantageous in ensuring that the park can be maintained at its highest potential.

Please let me know if you require anything further from the Port Authority.

Sincerely,

A handwritten signature in black ink that reads 'Matt Schnipke'.
