YOUR ENERGY BUDGET SHOULDN'T BE ANOTHER UNKNOWN.

EPC Energy Program

MORE THAN AN ENERGY CONTRACT.

Budget Forecasting

Ongoing energy cost change reporting to help strengthen your Five-Year Forecast

Account Reviews

Free Energy Audits to identify billing penalties, invoice errors, avoidable energy costs, etc.

Curtailment Notices

Timely notifications to reduce building load to help lower future costs.

Regulatory & Utility Opportunities

Recently identified $1 Million+ in utility tariff based savings for AES Ohio participants.

EPC does more than just secure a competitive price.

Our strategy provides industry intelligence, utility expertise, and ongoing support to **confidently forecast energy costs.**

Could your district benefit? *Let's find out!*

Send a copy of recent energy invoices to robin.houston@epcschools.org for a complimentary assessment.

LESS GUESSING. MORE VISIBILITY. BETTER FORECASTING.
