Your Local Partner in Medicare

Searching for a better way to save money on health benefits?

The answer may be Medicare.

When it comes to something as important as your employees' health, you need a partner you can trust. That's where RetireMed steps in. Our team will provide employees with valuable resources, answer questions, and help them compare their employer plan, STRS plan, or SERS plan to Medicare. As a result, your school district can save money and your employees can explore more health coverage options and benefits that address their unique needs. Taking care of your team without adding one more thing to your plate is possible with RetireMed!

Kevin Lowden, Sr. Account Executive at RetireMed

We're here to serve you.

More than 1,200 organizations across Ohio, Kentucky, and Indiana have trusted RetireMed for their health care coverage options for their employees.

"This is an exceptional organization. I highly recommend RetireMed to anyone needing information in any aspect of Medicare..." - Star E.

After Renovation

After Renovation

Before Renovation

Before Renovation

Past Project

This recent project's renovation, inspired by a desire to separate the kitchen and servery, brought a fresh new look to both areas. The goal was to maximize cooking space, increase storage, optimize functionality for staff, and boost participation.

These changes created a more exciting environment for the students and resulted in increased revenue for the school. This project was completed under budget and on schedule over summer break to accommodate the school's academic calendar.
