Your Design-Build Partner.

At **Energy Optimizers, USA**, we help school districts streamline facility improvement projects, saving time, money, and legal headaches. We manage every step from design and procurement to construction and completion, meeting all state requirements.

*Before you start the RFQ/RFP process, **CALL EOU!** We can deliver your project faster, smarter, and with total transparency.*

The program is explicitly designed to meet Ohio Revised Code Sections 153.65–153.71 and Chapter 167.

Flexible Delivery Options:

DESIGN-BUILD

- One partner from concept to completion
- Incorporate your goals and preferred contractors
- Save time with no formal bid process

CMR

- Ideal when your design is already developed
- We manage competitive bids across scopes
- Help review, select, and oversee contractors

OWNER'S REP

- Guide your project with independent oversight
- Facilitate the RFQ/RFP process
- Ensure alignment with your goals and standards

Why Wait to Save? **Hit the EASY button on Facility Upgrades**

See What Your Roofs Aren't Telling You

Stop Roofing Surprises Before They Turn Into Costly Leaks

A visual roof inspection only tells part of the story. Hidden beneath the surface, trapped moisture can quietly damage insulation, waste energy, and shorten roof life—long before a leak ever appears.

Using advanced thermal imaging, trained technicians can pinpoint hidden moisture and deliver a clear, actionable picture of your roof's true condition—so you can plan, not react.

**Consider procurement through
Tremco/WTI's AEPA Roofing &
Related Services Contract #025-D.**

→ Visit **tremcoroofing.com**
or contact **Sarah Butler**
at sbutler@tremcoinc.com
or 330.428.0935.

**Hidden moisture doesn't fix itself.
Infrared diagnostics help you address
issues early—before small problems
become big expenses.**

- Address moisture issues before leaks develop
- Avoid emergency repairs and budget surprises
- Extend roof life and protect energy efficiency
- Make data-driven repair and capital decisions

Cooperative Contracts
TRUST IN EXPERIENCE. STRENGTH IN NUMBERS.

Tremco Roofing and WTI are part of Tremco Construction Products Group

epc Approved Vendor
Design-Build & Performance
Contracting Construction Services

For over four decades, Evans Energy has successfully guided public-sector clients thru Ohio's highly specialized world of Design-Build, Performance Contracting, HB264 and other complex construction procurement options.

Good choices for your next project!

QuikLunch

In-Person Credit Card Payments

QuikLunch now supports in-person credit card payments at the point of service. Tap, swipe, chip, and mobile wallets, processed instantly and reflected in PaySchools in real time.

Key Benefits

Increase Revenue

Accept more payment types, giving families a convenient way to pay on the spot

Decrease Meal Debt

Real-time payments reduce outstanding balances

More Payment Options

Credit, tap-to-pay, Apple Pay, and Google Pay accepted at the register

Secure & PCI Compliant

Built for K-12, keeping cardholder data safe

How it Works

1

Cashier rings up the student's meal as usual

2

Cashier selects credit card payment option

3

Customer taps, swipes, or inserts chip

Premier ProduceOne

Your one-stop shop for
DoD, Premier Direct, and FFVP!

WE'RE YOUR APPROVED PRODUCE SUPPLIER!

As the leading provider of fresh fruits & vegetables to K-12 schools in Ohio, our program ensures your students are getting the best produce available, regardless of how you order. All your orders will arrive in the same shipment with separate invoices.

FRESH FRUITS AND VEGETABLE PROGRAM

With FFVP, you get more than just fresh produce. We provide classroom-friendly resources and seasonal monthly calendars to keep your program organized and engaging. Join our email list and receive these tools in your inbox every month!

PEPPER: OUR ORDERING PLATFORM

DoD orders will continue to be placed through FFAVORS, while EPC orders for Premier Direct and FFVP are placed via Pepper, our easy-to-use ordering platform, or with our amazing customer support team members.

POPULAR ITEMS AVAILABLE THROUGH DIRECT

From everyday staples like bananas and pineapple to fresh-cut produce and local apples, or essentials like gloves and cutlery, we've got everything you need in one place.

Check out our full catalog at premierproduceone.com!

CONTACT INFORMATION

Contact us today and we'll get you all set up for your school year!

Email: cgibson@premierproduceone.com

Program Benefits

Savings: "Protected Self-Insurance" is the risk management alternative that EPC has chosen to keep costs at a minimum.

Ownership: This program gives you representation on the LFP board.

Long-Term Stability: We only work with "A" rated carriers or higher.

Security: EPC is the most financially secure School Pool in the State of Ohio.

Experience the epc Difference

The EPC LFP Program Ensures Stability,
Comprehensive Coverage, and
Member Empowerment

The EPC Liability, Fleet & Property Insurance Program is a specialized insurance risk management program for public school districts in Ohio. Connect with World Risk Management (WRM) to learn more:

Ask us about our U Band Proximity and HID Card Options

Ideal solution for printing high-quality ID cards in moments.

Single-sided SMART-51 (S1) can be transformed into a dual-sided printer (D1) or into dual-sided printer with laminator (L1) by applying flipper module or laminator module at the back of the printer which can be easily installable. SMART-51 Laminator is an option for printing and laminating at the same time which enables to produce extra security long-life ID cards with customizable security patch films. With D1W (Direct Laminating in a Work) technology, SMART-51 Laminator ensures most stable & fast laminating with premium quality protection for ID cards.

- New Input Hopper (up to 200 cards loading)
- Removable Output Hopper (Optional)
- Support of Transparent Cards
- Cartridge type Laminator Film Loading
- Support CR79 Cards
- Top-side Mag Encoding
- All-in-One type Lock System (Optional)
- Manual Feeding (Optional)
- Kensington Security Lock (Optional)
- Rear-side Stacker (up to 30 cards, Optional)

Single sided ID CARD PRINTER
smart-51S

- Color & Mono Single Sided Printing
- Print Speed: Max. 17 sec./card (1/4" x 3/8")
- 300dpi with Edge-to-Edge Printing
- 2 Lines LCD with 2 LED Buttons for Front Operation
- Support of Transparent Cards
- Low Cost Security with UV Printing
- In-Install Encoders: MS, Contact & Contactless
- Upgradable Modules: Flipper, Laminator & Ethernet

Dual sided ID CARD PRINTER
smart-51D

- Single or Dual Sided Printing
- Print Speed: Max. 22 sec./card (1/4" x 3/8")
- 300dpi with Edge-to-Edge Printing
- 51S Field Loggable to 51D
- 2 Lines LCD with 2 LED Buttons for Front Operation
- Low Cost Security with UV Printing
- Installable Encoders: MS, Contact & Contactless
- Upgradable Modules: Laminator & Ethernet

Laminating ID CARD PRINTER
smart-51L

- Single or Dual Sided Printing and Laminating
- Instant Direct Heating Lamination System
- Printing & Laminating Speed: Max. 22 sec./card (1/4" x 3/8" & Single Lamination)
- 300dpi with Edge-to-Edge Printing
- 51S & 51D Field Loggable to 51L
- 2 Lines LCD with 2 LED Buttons for Front Operation
- Upgradable Modules: Flipper, Visual Security & Card Durability
- Installable Encoders: MS, Contact & Contactless

Learning Environment Designers

Building the Foundations for Lifelong Learning

At **App Architecture**, we believe every school is more than a building — it's a catalyst for curiosity, creativity, and community. Our K–12 education designs are rooted in the understanding that the spaces where students learn profoundly shape how they explore, connect, and thrive.

Collaboration is at the heart of our process. We work closely with administrators, teachers, students, and stakeholders to ensure that every detail — from classroom layouts to outdoor learning areas — supports the mission of preparing the next generation for success.

Engineering Solutions Built Around Your Schools

At Tri-Tech Engineering, we design the systems that keep schools running safely and reliably. From HVAC and electrical to plumbing and structural design, our work supports reliable, everyday performance.

Since 1977, we've earned a reputation for integrity and practical solutions—always built around you.

We know every district is different, so we design systems to match your buildings, your goals, and your budget. From new construction to renovations and upgrades, we deliver solutions that fit and perform.

Our Core Values

Integrity | Trust | Attention to Detail | Service-Oriented | Strong Relationships
